

Nordplus project

Nika Tronajeva

First day

- ▶ On first day we were at Kaunas school. We were working in random teams and making a little films by ourself.
- ▶ Then we had a drawing lesson, and then we go to the old town of Kaunas. We were at recording studio too.
- ▶ First day was a little bit stressed, because it was first day at our lithuanian families, but it was fun too.

Second day

- ▶ On second day we were again at school. We had a lesson about a national foods in Lithuania, but then we were cooking bread and eating it with jam.
- ▶ After school we were at Devbrige.
- ▶ Then we went to Zalgiris arena, that was cool.

Next days

- ▶ In next other days we're going to interesting places like two first days.
- ▶ During the project I learn new facts about Lithuania.
- ▶ I took some photos and now I'll remember this trip, because it was very instructive.

Quotes

- ▶ I really like this project, because students and childrens can get new expierence.
- ▶ We also can learn more about Baltic States.
- ▶ We can meet new peoples and they can give us information about traditions and lifestyle.

Thank you for attention!
