

Nordplus Diary

NIKOLA PĒTERSONE, ELZA LAUGALE

First day

On 13th of October we arrived at Kauna then we went to the families who took us for a week. At the family we ate dinner and went to sleep.

Second day

In the morning we went to school. We had a homework where we had to write a story out of proverb, out of this story we had to make a movie out of clay. After this lesson we had an art lesson, there we had to draw a tree out of charcoal.

After all the lessons we went by a public transport to Aleksotas panoramic viewpoint and then we went down the hill by funicular after the funicular we went by foot across the Vytautas Magnus bridge and then we went in to the old town of Kaunas. After walking in old town of Kaunas we went to Vytautas Magnus University where we had to listen to a presentation of sound recording studio. After the presentation we went to Akropolis. And then we returned to our families and spent the rest of the evening at the families and then went to bed.

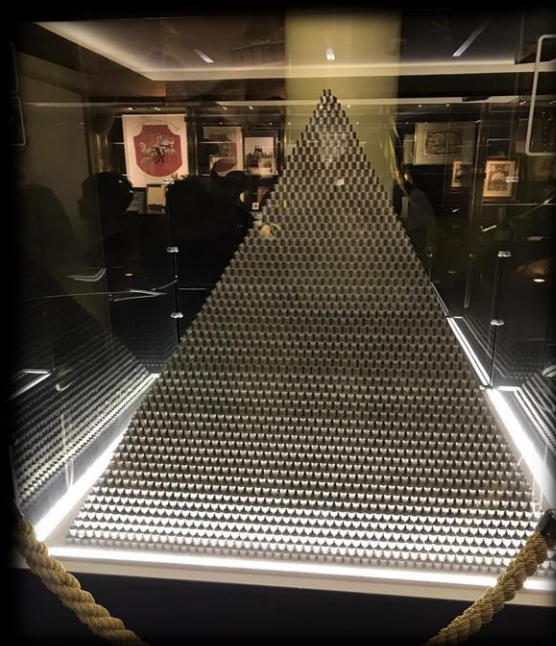

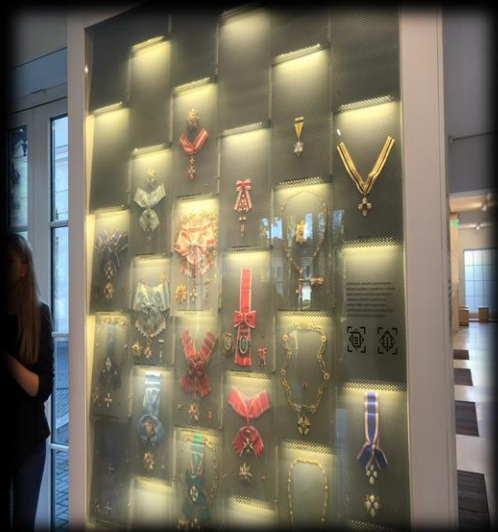

Third day

At the morning we went to the school and had an English lesson about national dishes. Then we had to make Lithuanian traditional bread in modern age. Then we had lunch at school. Then by the school bus we went to the office of "Devbridge". After that we drove to Žalgirio arena where we went throw the whole Žalgirio arena. And like all the days after the excursions we went to the family and spent the evening and night there.

Forth day

We had to wake up early because we had to go to Vilnius. When we were in Vilnius we went to the presidential place and had a excursion in the presidential places museum. Then we had lunch. After that we had 30 minutes long activities in Vilnius Vocational Training Center of Technologies. Then we went to money museum. Then we had free time in Vilnius. After the free time in Vilnius we drove back to our families and spent the evening in there.

Fifth day

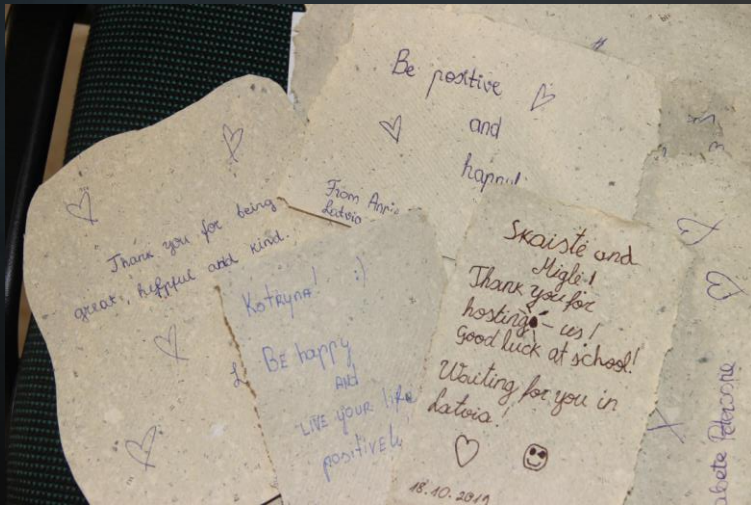

At the morning we had a geography lesson were we did a quiz about geography. Then we had a history education trip. Then we made with our hands paper. After that we had lunch. Then we had to create a website in Kaunas University of Technology. And then came the fun part we had to play lazer tag, and it was so much fun.

Sixth day

The last day we had activities at school we had to presentate all the projects that we made at home. Then we had lunch and went to Šiaulia to the chocolate museum “Rūta” and then was the par were we went home!

Thank you for attention!
